

Travis County Emergency Services District (ESD) No. 2
Pflugerville Fire Department

AWARDS PROGRAM: Apartment Fire Safety Partners

Travis County ESD No. 2 (Pflugerville Fire Dept.) is launching an exciting new awards program to celebrate our safety partners in the apartment/townhouse community! Will YOUR property be a winner this year?

Apartment Fire Safety Partners are those properties whose management and maintenance teams have demonstrated their commitment to preventing and mitigating fires on their property. While fires are always possible at any property, renters who choose to live at a Fire Safety Partner property can feel good knowing that their management/maintenance team has gone above and beyond other properties in this area to help keep them safe from harm.

AWARD CRITERIA: Partner awards may be granted to properties that meet the following criteria:

- 1 Successful Inspections**
Fully comply with 100% of fire inspection requirements within 30 days of inspection
- 2 Successful Smoke & CO Alarm Maintenance Plans**
Within 30 days of inspection, fully implement a Smoke & Carbon Monoxide (CO) Alarm Plan that has been approved by Travis County ESD No. 2
- 3 Successful Communication with Residents**
Distribute safety messages/materials to all residents as requested by the Fire Department. This includes basic fire safety information to all residents, plus seasonal messages via the property's normal communication channels.

AWARD PUBLICITY: Apartment Fire Safety Partners will be celebrated and publicized as follows:

- ★ A list of award-winning properties will be posted to the Pflugerville Fire Dept. website and announced on social media (Facebook, Nextdoor, and Wells Branch Google Group)
- ★ A press release will be issued to encourage news coverage
- ★ Each winning property will be provided with a large banner and/or yard sign, window decals for their leasing centers and activity center, pins for their staff lanyards, and a digital logo that they can post on their property's website, social media, and/or email signature

Save lives.

Protect your property.

Set yourself apart from the competition.

Become a Fire Safety Partner!
