Serving the Community Since 1955

Because We Care

Mission

We are committed to the preservation of life and property, in that order. We will meet those needs by being a high performing fire department that educates the community; administers the fire code; and prepares for and responds to incidents involving emergency medical services, fire, hazardous materials, water rescues, trench rescues, confined space rescues, high and low angle rescues, building collapses, transportation accidents, unsafe conditions, and public assistance.

A Commitment

The time is right to join the Travis County ESD No. 2 firefighting team. Whether you want to begin a rewarding career, or you yearn to be part of a department well known for “excellence in all we do,” we welcome you to apply today. We currently employ more than 200 firefighters and we are experiencing tremendous growth—both within our ranks and throughout our diverse community. Located just north of Austin, we proudly over 162,000 people throughout almost 100 square miles in northeast Travis County.

Vision

We serve and protect your health and safety and strive to enhance your quality of life. We are recognized as the fire department that goes above and beyond, providing superior levels of traditional and innovative service.

Because we care, our core values, ethics and commitment to excellence are on display in all that we do.

Training

Our firefighters train every shift 365 days a year to ensure they stay safe, certified, and fit through skills, knowledge, and physical exercise. We employ a full-time health and fitness coordinator to help keep our team healthy and ready to serve. All of our firefighters maintain certifications in one or more of these areas through District training: wildland firefighting, general rescuer, and swift/surface water rescue.
