

Travis County Emergency Services

District No. 2

Fiscal Year 2022

Approved Budget

September 9, 2021

Mission

Travis County Emergency Services District No. 2's mission is to provide public safety services to the community.

We are committed to the preservation of life and property, in that order. We will meet those needs by being a high performing fire department that educates the community, administers the fire code, prepares for and responds to incidents involving Emergency Medical Services, Fire, Hazardous Materials, Water Rescues, Trench Rescues, Confined Space Rescues, High and Low Angle Rescues, Building Collapses, Transportation Accidents, Unsafe Conditions, and Public Assistance.

Vision

We serve and protect health and safety and strive to enhance the quality of life. We are recognized as the Fire Department that goes above and beyond, providing superior levels of traditional and innovative services.

Our vision outlines what our organization will be in the future. It is a beacon for planning for the future as we continue to meet demands of our constituency. We will maximize commonly accepted methodologies to go beyond traditionally accepted practices to better serve our community.

Motto

"Because We Care", our core values, ethics and commitment to excellence are on display in all we do.

Information about the Travis County Emergency Services District No. 2 fiscal year 2022 Budget is available online at www.pflugervillefire.org

For more information about the budget you may contact the Finance Section at (512) 251-2801 or visit the Administration Building at 203 E. Pecan Street, Pflugerville, TX 78660

Governance Background

The Travis County Commissioners Court is the governing body of Travis County. The Commissioners Court consists of the elected County Judge and four elected precinct Commissioners. The four precinct Commissioners traditionally represent their constituents on all precinct-specific issues before the Court. Other duties include nominating individuals for appointment to the boards of Emergency Services Districts located in their precincts.

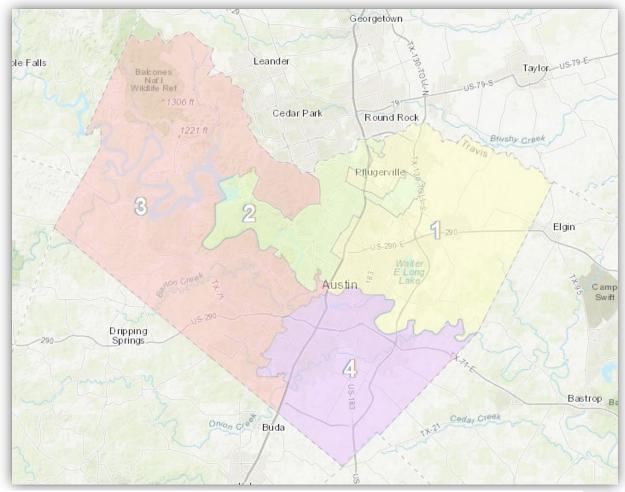

Figure 1 - Travis County Precincts

Source: https://www.traviscountytx.gov/maps/gis-comm-pct

Governance Background (continued)

An Emergency Services District (ESD) is a political subdivision of the State of Texas. There are 17 ESDs in Travis County. ESDs are subject to the provisions in the Texas Health and Safety code Chapter 775. ESDs have the authority to levy ad valorem (property) tax.

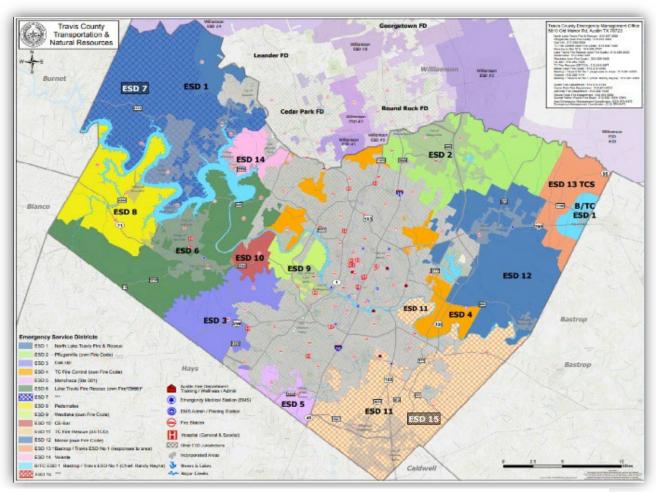

Figure 2- Travis County Emergency Services Districts

Source: https://www.traviscountytx.gov/images/maps/ESD map.pdf

The Texas Constitution states that ESDs may tax up to a max of \$0.10 per \$100 of property valuation (a home certified at \$100,000 will help fund the ESD by \$100 a year). The ESD's creation documents establish the District's initial tax rate limit. ESDs may also collect sales tax, provided an election is held and voters approve this power. In Texas, 8.25% is the maximum allowed sales tax rate. The state collects 6.25%, leaving 2% available to eligible local jurisdictions, including ESDs. An ESD may collect anywhere from 0.125% to 2% of the local sales tax rate depending on availability and subject to voter approval.

Governance Background (continued)

The Travis County Commissioners' Court appoints five members to the Travis County Emergency Services District Number 2 (TCESD2) Board of Commissioners who govern the operations of TCESD2. They are appointed to staggered two-year terms, represent a cross-section of the TCESD2 and meet on a regular basis to determine administrative policy and perform financial oversight.

Rico Reyes Board Vice President

Mike Bessner Board President

Mike Howe Board Treasurer

Robert Turner Board Secretary

April Griffin
Board Assistant Treasurer

The TCESD2 Board of Commissioners appoints the District's Fire Chief. He/she is authorized to organize and direct the operations in an efficient and effective manner. The current Fire Chief is Ronald Moellenberg and he has been employed as the Fire chief since 1986.

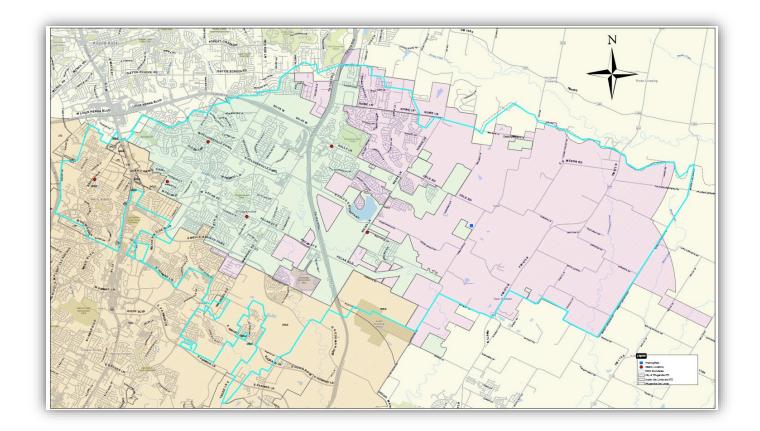

Ronald G. Moellenberg Fire Chief

Service Area

TCESD2 was created according to Chapter 775 of the Texas Health and Safety Code. TCESD2 provides fire prevention, fire suppression and emergency medical services to an estimated population of more than 139,000 residents in an area of about 75 square miles in northeast Travis County. It was created in 1992 when local property owners voted to convert an existing rural fire prevention district to the current emergency services district.

https://www.pflugervillefire.org/district-map/

The service area is roughly bounded by Farm-to-Market Road 1325 in the West, the Travis-Williamson County line on the North, Manda Carlson Road and Cameron Road on the East, and Yager Lane, Dessau Road and Howard Lane on the South. The City of Pflugerville lies within the boundaries of the District and there are two large municipal utility districts included, Wells Branch and Northtown.

Organizational Information History of the Department

Before there was a formal fire department in Pflugerville, the local merchants took care of business by keeping fire buckets under the porch of Steger's Store which was located at the present-day corner of Pecan and First Street. Whenever there was a fire, someone would sound an alarm by firing a shotgun in the middle of the street and citizens gathered with fire buckets to form a bucket brigade to extinguish fires.

As the community grew and Central Texas was experiencing the historic drought of the 1950s, concerned citizens canvassed their neighbors seeking donations to purchase a fire truck. In 1955, the Pflugerville Volunteer Fire Department was formally chartered, and a fire truck was purchased for \$4,000. On the day the truck was delivered volunteer firefighters had to respond to a building fire. In October 1955, the Volunteer Fire Department purchased the land where the local men's shooting and bowling club "Schuetzen Kegel Verein" was located for just \$10.

After the Schuetzen Kegel Verein was razed, some of the timbers were used in the construction of the first fire station that became known as the Fire Hall. Fire Hall was built close to Pecan Street where the Fire Administration Building currently stands. Many community group gatherings, sock hops, birthday parties and the annual Firemen's Bar-B-Que were held at the Fire Hall To the rear of the Fire Hall property a little league baseball field was built, and the Volunteer Firefighters sponsored Little League Baseball Teams and kept the field ready for use.

The Fire Hall was dedicated in 1956 with the hope that "...the equipment housed...may not be needed, but at the same time it is the purpose and the desire of the Fire Department to stand ready at any and all times to make use of this equipment to the saving of property and of...lives" (excerpt from the actual dedication ceremony.)

The night of July 21, 1971 was a pivotal historic moment for the Pflugerville Volunteer Fire Department when a

structure fire burned in downtown Pflugerville destroying an entire block. Inadequate water supply was an instrumental threat in efforts to combat the fire. The incident resulted in the Department realizing that their equipment was not sufficient to respond adequately and began initiatives to improve firefighting capability.

In 1985, Pflugerville Volunteer Firefighters led an effort to form a rural fire prevention district to address increased service demands because of the rapid growth and development in the Pflugerville area.

Figure 3 – Main Street Pflugerville July 21, 1971

History of the Department (continued)

Travis County Rural Fire Prevention District (RFPD) No. 3 became a reality in August 1985 with voters overwhelming support thus providing a stable funding source for fire protection. The RFPD was supported with a 3-cent tax limit on each \$100 of appraised property value.

Growth in the community continued and demand for services steadily increased. In an effort to more adequately support the Department, a vote was called to convert the RFPD to an Emergency Services District. Travis County Emergency Services District Number 2 (TCESD2) became a reality on January 18, 1992. The voter-approved legislation allowed for the creation of the current TCESD2 and a new limit of 10-cents property tax per \$100 of appraised value.

Late in 1992 TCESD2 assumed responsibility for equipment and assets from the Volunteer Fire Department. Volunteer staff also became employees of the District. This move created a governmental umbrella of operations for fire and emergency services.

In 1996 the TCESD2 received voter approval for the sale of bonds that were used to acquire much needed emergency equipment and begin construction of facilities. The bond sales allowed the District to build Fire Station 3 on Kelly Lane; Fire Station 4 on Pflugerville Parkway; relocate Fire Station 2 on Thermal Drive and build the present Fire Station 2 on Bratton Lane; and, replace the old fire station on Pecan Street with the current Central Fire Station (Station 1). The Training Field located on Cameron Rd. was also included in the facility construction funded by the bond sale which all concluded in 1999 with the completion of the new Central Fire Station.

When the District assumed responsibility for employees in 1992, there were only two full-time employees, the Fire Chief and an Administrative Assistant. The firefighting force was mostly comprised of volunteers and a handful of part-time firefighters who also worked for other fire departments in the area. The first three full-time firefighters were hired in April 1996, then in February 1998 an additional 12 firefighters were hired.

Since that time the service demand and required staffing continued to grow. The District has since replaced all

volunteer and part-time staff with full-time career firefighters who also are certified as EMTs or Paramedics and added support staff. In 2018 there were a total of 131 authorized firefighter positions and 21 civilian employees. During fiscal year 2018 the District assumed full responsibility for the provision of emergency ambulance services. Previously that service was provided by Austin-Travis County EMS via a contract with Travis County, but that contract only provided two full-time ambulances to be stationed in TCESD2.

Figure 4 - TCESD2 Paramedics

History of the Department (continued)

Whenever those units were busy or not available, other units from across the County were relied upon. Because of increased service demand and increasing growth and development in the service area, the District was compelled to act. Initially it was planned that the District would augment the existing system and grow service gradually. However, a rapid escalation of the expansion plan became necessary when Austin-Travis County EMS removed its two ambulances in response to changes in their contract with Travis County. In 2017 the District stepped up its plan and began operating four ambulances along with paramedic squads as staffing levels permitted. A fifth ambulance was added in 2020.

In 2021 the District delivers its services using the resources housed in its five fire stations. This includes one or more of the five engine companies with 4 persons each; one quint (aerial) with 4 persons; 5 ambulances (with 2 persons with at least one of which is credentialled as Firefighter/Paramedic); and, 2 paramedic squads (when staffing levels allow). Appropriate command, accountability, and safety personnel are also dispatched as needed.

In 1998 there were 2,327 emergency incidents. By the end of 2020 the District responded to more than 12,500 request for service the majority (70%) of those being medical in nature. Planning for two additional fire stations is included for Fiscal Year 2022. Fire Station #6 is estimated to be completed in late 2022 and Fire Station 7 is in the initial planning phases.

Figure 5 – TCESD2 Fire and EMS Operations Section Command Staff with Chief Moellenberg and AC Perkins

Organizational Information (continued)

Department Operations

TCESD2, also referred to as the Pflugerville Fire Department, and "The District", has a great responsibility in providing fire suppression, fire prevention, and first response emergency medical care covering approximately 75 square miles with staff and equipment working out of five fire stations ready 24 hours a day. TCESD2 has 6 sections: Emergency Operations & Training, Community Risk Reduction, Finance, Human Resources, IT/Special Projects and Logistics.

Budget Development Process

The TCESD2 budget process is formally initiated with the Planning Conference which is an annual retreat of the District's executive team and the Board of Commissioners. The purpose of the retreat is to discuss the upcoming fiscal year budget and the related goals and priorities from the Strategic Plan.

The Planning Conference held in July 2021 included a presentation regarding the District's Standard of Cover Analysis for emergency medical services and a five-year financial forecast was presented regarding implementation of the District's Strategic Plan goals and objectives. The Board also invited community stakeholders to provide input on the future of the department and emergency medical services.

Throughout July and August 2021, the TCESD2 staff developed and finalized the proposed unit budgets. Once the staff complete their review, the rest of the budget cycle leans heavily on the Board of Commissioners' review and input from the public. Requirements to set the property tax rate varies depending on the rate approved, but typically include at least one public hearing.

Budget Development Calendar

Budget Amendment Process

Budget amendments are permitted once the fiscal year budget has been approved by the Board of Commissioners throughout the fiscal year. The budget is approved at a fund summary category level by the Board of Commissioners. Amendments to the Approved Budget that would require movement of funds between fund summary categories must be reviewed and approved by the Board of Commissioners at publicly held meetings. Amendments to the Approved Budget that include line-item changes that are within budget units must be reviewed and approved by the Finance Director and the Fire Chief.

Fiscal Year 2022 Approved Budget Significant Changes

Operating Budget (General, Facility and Grant Fund)

Revenue

The FY22 Approved Budget revenue is projected to increase \$2.8 million or 9% from the FY21 Amended Budget. Significant items include:

Total taxable property value increased from 2020 to 2021 by 14%. The FY22 Approved Property tax revenue increased by \$900,000 or 7% with a tax rate of \$0.09 per \$100 valuation compared to FY21 Amended Budget revenue.

Sales tax revenue has been extremely volatile since March 2020 so the FY21 Amended Budget amount was set extremely conservatively at the same level as the FY20 budgeted amount. The FY22 Sales tax revenue Budget is \$2.2 million or 17% higher than FY21 Amended amount. This reflects an estimated 4% increase above the FY21 receipts.

Emergency Medical Services (EMS) revenue is projected to increase from FY21 to FY22 by \$362,000 or 18% due to EMS fee increases and call volume increases due to continued population growth in the District.

Other revenue items include grant revenue that will decrease significantly as we near the end of the FY16 SAFER grant performance period and start mid fiscal year FY22 with the FY18 SAFER grant new hire process; facilities use revenue has been eliminated due to the City of Pflugerville vacating the first floor of the CEC September 30th.

Expenditures

The FY22 Approved Budget operating expenditures are projected to increase \$1.5 million or 5% from the FY21 Amended Budget. Significant items include:

The District is adding 20 new full-time equivalent (FTE) positions in FY22. The staffing factor calculation was retooled and revealed a need for 13 additional Emergency response positions (7 firefighters and 6 Apparatus Specialists). It also incorporated the need for additional emergency response positions to backfill for the firefighters participating in the paramedic training program which resulted in the need for 7 new FTEs (1 Paramedic Instructor and 6 Paramedic Students.)

The District is implementing an updated restructuring of staffing in FY22 and is reclassifying positions vacated during the FY21 COVID 19 restructuring which is a net zero impact to the FY22 Approved Budget.

Capital Budget (Capital Fund)

The FY22 Approved Capital Budget includes expenditures for the continuation of construction projects for New Fire Station #6 and the Training Field project with debt financing for the construction projects with payments to begin in FY23. Also included for FY22 are continuation of one engine refurbishment started in FY21, a replacement aerial apparatus, a replacement ambulance, replacement of support vehicles to 4x4 capability, and repurposing of a reserve engine for roadway safety (blocking) purposes.

Fund Level Budget Information

The accounting for the District all rolls up to the General Fund for auditing and financial statement purposes, but for functional reporting purposes there are five sub-funds that are actively utilized within the District: General fund, Facilities fund, Grants fund, Regional Grant Fund, and Capital Projects fund.

- The General fund (GEN) is utilized for most of the District's operational budget expenses for daily functions and services and includes cash transfers to other funds.
- The Facilities fund (FAC) accounts for the revenue and expenses related to the operation of Pfluger Hall.
- The Grants fund (G03) for FY22 is being utilized to track revenue and expenses related to the District's FEMA FP&S grants.
- The Regional Grant Fund (RGR) is utilized to track the revenue and expenses related to the District's FY19 FEMA Regional Assistance to Firefighters grant. Revenue and expenses from this fund are not included in the operating budget because it represents grant funding and expenses for eight fire departments in the Central Texas area and revenue and expenses net to zero. Grant revenue and expense applicable specifically to TCESD2 are accounted for in the TCESD2 Operating budget.
- The Capital Projects fund (CAP) contains capital project revenue and expenditures for large projects such as construction of new facilities, large improvements/renovations, and the purchase of vehicles and large equipment. Capital projects are funded through a mix of debt and cash funding. Cash funding transferred to the Capital Projects fund from the General Fund is reflected as Revenue in CAP and expense in GEN.

The following pages will contain the following Budget summaries: Operating, Regional Grant and Capital. The Operating budget includes the General, Facilities and Grants funds. The Regional Grant Fund contains just the activities related to the FY19 FEMA Regional Assistance to Firefighters grant. The Capital budget will reflect the full cash outlay and revenue for all capital projects.

RESOLUTION ADOPTING BUDGET

THE STATE OF TEXAS

§ COUNTY OF TRAVIS Ş

BE IT RESOLVED BY THE BOARD OF EMERGENCY SERVICES COMMISSIONERS OF TRAVIS COUNTY EMERGENCY SERVICES DISTRICT NO. 2 THAT:

WHEREAS, the Board of Emergency Services Commissioners of Travis County Emergency Services District No. 2 ("District") has projected the operating expenses and revenues for the District for the period of October 1, 2021 through September 30, 2022;

NOW, THEREFORE, KNOW ALL PERSONS BY THESE PRESENTS:

The Board of Commissioners wishes to adopt this Resolution and the Section 1. District's operating budget. The Operating Budget attached hereto as Exhibit "A" is part of this Resolution.

Section 2. The Secretary of the Board of Commissioners is directed to file a copy of this Resolution Adopting Budget in the official records of the District.

ADOPTED this 9th day of September, 2021.

Appendix E – Order Levying Tax

ORDER LEVYING TAXES

THE STATE OF TEXAS
COUNTY OF TRAVIS

WHEREAS, the appraisal roll of Travis County Emergency Services District No. 2 (the "District") for 2021 has been prepared and certified by the appraiser for the District and submitted to the District's tax assessor/collector; and

WHEREAS, the District's tax assessor/collector has submitted the certified appraisal roll for the District, dated July 20, 2021, showing \$14,590,816,396 to be the total appraised, assessed and taxable value of all property and the total taxable value of new property, to the Board of Emergency Services Commissioners of the District; and

WHEREAS, based upon the certified appraisal roll, the employee or officer designated by the Board of Emergency Services Commissioners of the District has calculated a tax rate to be levied for 2021 sufficient to provide tax revenues to meet the District's obligations;

NOW, THEREFORE, BE IT ORDERED BY THE BOARD OF EMERGENCY SERVICES COMMISSIONERS OF TRAVIS COUNTY EMERGENCY SERVICES DISTRICT NO. 2 THAT:

<u>Section 1.</u> The District has previously adopted a budget for the upcoming fiscal year, which will be funded from the revenues generated by the tax rate established in this Order Levying Taxes.

<u>Section 2.</u> There is levied an ad valorem tax of \$0.0900 on each \$100.00 of taxable property within the District to provide funds for maintenance and operating purposes.

Section 3. The District has no debt supported by ad valorem taxes and no tax rate for debt service.

Section 4. All taxes collected pursuant to this levy, after paying costs of levying, assessing and collecting the taxes, will be used for paying costs of providing emergency services and organization and administrative expenses, including legal fees, and for paying principal of and interest on bonds, warrants, certificates of obligation or other lawfully authorized evidences of indebtedness issued or assumed by the District.

<u>Section 5.</u> The Travis County Tax Assessor/Collector is authorized to assess and collect the taxes of the District employing the above tax rate.

Section 6. The taxes levied by this Order are due presently and will be delinquent if not paid by January 31, 2022.

Section 7. This Order Levying Taxes is effective from and after its adoption.

ADOPTED the 9th day of September 2021.
